

LT Westlake Fine Arts' Parent Advisory Council (PAC) has been very involved with the school and are needed to help organize, run, and pay for many of the events. They are instrumental with the special guests that entertain, encourage, and inter-act with our students. They organize hot lunches, meals, fundraisers, dances, talent shows. Everyone plays an important role, even those who volunteer as drivers and skate tiers. LT Westlake wouldn't have a playground, field trips, or musical instrument (inside or out).

We couldn't do it without you.

Please become involved with your school

Thank you
