

LT Westlake Fine Arts School is looking for enthusiastic and active volunteers to sit on their Parent Advisory Council (PAC). It gives you the opportunity to be involved with the growth of your child's education and the school itself. Parents, this is a way that your voice may be heard on what is happening here at LT Westlake.

That PAC is made up of parents, principal, a teacher, and a community member who meet once a month to discuss school events, special guests, fundraising, and to hear updates from the Horizon School Division. Like other organizations, there are board positions that are held: Chairman, Vice-Chair, Secretary, Treasurer. We also have positions for Hot Lunch, Fundraiser and Casino Coordinator. Beside the above positions, we are also looking for Room Reps. who help with phoning when volunteers are needed. Parents who don't want to seat on the board are more than welcome to attend meetings and have a voice.

Please contact the school 403-223-2487 or email our principal Rebecca Edwards
