

# GROWING GREATNESS, IN EACH AND EVERY CHILD.

LT Westlake Elementary School is an amazing, public school located on the south side of Taber, Alberta. It has 80 students in grades Early Learning, K - 5 with a student-teacher ratio of 14 to 1. It has a rich, 65-year-old tradition as a wonderful neighbourhood school, along with an active parent involvement, extended learning opportunities and a high focus on the fine arts and literacy. LT Westlake is one of the 30 schools, across Canada, to receive an Indigo Love of Reading Foundation Literacy Grant. This grant is dedicated to putting books into the hands of Canadian elementary children.

With a committed teaching staff, involved families and community partners, it is truly my belief that every student here at LT Westlake can reach their potential. The foundational years of elementary school are important to the future success of our young students. We pride ourselves on making certain that our students believe in themselves, have the teachers and resources to meet their learning needs while also building and maintaining strong and positive partnership between the school, its community and LT Westlake families. I envision that LT Westlake Fine Arts School will continue to flourish and grow now and in the future.

**LT Westlake School community, students, staff, and parents have unique gifts and abilities. It is our privilege to fine out what these are...explore them...develop them...share them...and celebrate them!**

## OUR FOCUS

At LT Westlake Fine Arts Elementary School our focus is providing an academic setting in an engaging and safe learning environment. Children and teachers alike must become master learners, problem solvers and world communicators in order to be effective and successful in this ever-changing world.

## OUR SCHOOL

LT Westlake is a fine arts school which offers Early Learning, and Kindergarten through to Grade 5.

The Early Learning program (Tues & Thurs afternoon) offers a play-based approach with many hands-on-experiences for children who are 3 years of age before Sept. 1<sup>st</sup>.

The Kindergarten program (Mon. & Wed. full days) is where your child will interact, imagine, experiment and explore to add to their knowledge and learn new skills. Children must be 5 years of age before December 31<sup>st</sup>.

For grade 1 – 5, excellent teachers engage students in a wide array of learning strategies, always increasing their knowledge in the core subjects, physical activities, and the fine arts.
